The Chairman

Subject: - Consent to accommodate one economically poor student.

Dear Sir,

It is matter of pride for Kshatriya community that your organisation is contributing immensely for the development of the society in the field of education. “Kshatriya Sansad” an organization with new vision and mission has come into the existence to work tirelessly for the overall development of Kshatriya community in every nook and corner. To begin with it has been decided in the recent meeting that the team Kshatriya Sansad will approach all colleges and schools run and managed by the entrepreneurs of Rajput/ Kshatriya community to request them to accommodate at least one very economically poor student of Rajput/ Kshatriya community in each programme annually and one student with 50% reduction in fee.

The Kshatriya Sansad will forward the name of such selected candidates as per the eligibility criteria to the college for studies. In this regard you are requested to please give your consent so that we could initiate the process, kindly fill up the enclosed consent form and please hand over the same to the team, we shall be highly obliged for you help to strengthen the community, your contributions will be highlighted on all events of the organization.

Please send the details on or before _____ for _____ session.

With regards

Coordinator
